

National Institute of BioMedical Genomics

Kalyani, West Bengal

NIBMG invites applications for integrated MS-PhD program 2020

Why NIBMG?

- Premier Institute engaged in enhancing knowledge of human health and disease through genomics-driven approaches
- NIBMG houses the most sophisticated and cutting-edge technologies to pursue research on biomedical genomics and their functional implications on human diseases
- A beautiful sprawling campus with several other Institutes of higher learning nearby

Program features

- MS-PhD at NIBMG is a perfect platform for young students interested in becoming biomedical scientists.
- Comprehensive and thorough coverage of topics relevant to biomedical sciences in the course work and lab rotations before choosing a potential mentor to do research.
- All selected students will be supported by competitive fellowships.
- Highly experienced instructors with specialization in different areas of Biomedical sciences
- Option to exit the program with an MS degree

Minimum Eligibility

- Indian nationals with minimum 55% aggregate marks (or an equivalent grade point average) in Bachelor's degree in any branch of Biological Sciences
- Should have appeared in the most recent JGEEBILS/JAM exam.
- For more information about eligibility criteria click [here](#)
