Advertisement No. 465

Date: 05/03/2018

Positions available

Project Description: The project involves RNA-sequencing using massively-parallel DNA sequencers from tissues of cancer patients. The applicant selected for this position will be required to analyse RNA_seq data and validate relevant inferences using suitable molecular genetic techniques. **The position is contractual and appointment will be initially given for six months.**

Walk-in interview is being organized for recruiting **one Project Research Assistant**. The date of walk-in interview is **March 19, 2018 (Monday)** starting from **10 A.M.** No TA/DA will be paid for attending the interview.

Following documents are required at the time of interview:

1. Curriculum Vitae along with reprints of publications, if any
2. One Passport- size coloured Photograph
2. Self-Attested Copies of Certificates of Educational Qualifications
3. Self-Attested Copies of Experience Certificates
4. Govt. issued Photo ID proof (Preferably Aadhar Card)

Project Code: 209064

Position: (No. of positions available)	Essential Educational Qualification	Desirable Qualification	Nature of Duty	Consolidated and fixed monthly emolument (₹)
Project Research Assistant (1)	M.Sc. (with first class) in Biotechnology/ Biochemistry or a related subject	Experience in RNA-seq data generation, analysis and qPCR shall be preferred.	(1) QA/QC and analysis of raw sequence data generated by RNA sequencing platforms (2) RNA-seq data analysis (3) Validating RNA-seq results	₹ 28000/- (Rupees Twenty Eight thousand only)
