

NATIONAL INSTITUTE OF BIOMEDICAL GENOMICS

9th Obaid Siddiqi Memorial Oration

7th Jan 2022, 4 PM

PROGRAMME

4:00 pm – 4:05 pm: *Invocation*

4:05 pm – 4:15 pm: *Opening Remarks by the Director, Prof. Saumitra Das*

4:15 pm – 4:25 pm: *Genesis of the Oration and introduction of Speaker by Prof. Partha P. Majumder*

4:30 pm – 5:45 pm: *9th Obaid Siddiqi Oration by*

Professor Gaiti Hasan
National Centre for Biological Sciences
GKVK Campus, Bellary Road Bangalore

The genetics of spino-cerebellar ataxias: does dysregulated intracellular calcium signalling hold the key?

Prof. Hasan is a Senior Professor at the National Centre for Biological Sciences (NCBS), Bangalore since 2013. She has been a recipient of various awards including scholarship from the Inlaks Foundation, a British Overseas Research Student Award, a fellowship from the Wellcome Trust and Rockefeller Biotechnology Career Fellowship. She is also a Fellow of the Indian National Science Academy (INSA), the apex body of Indian scientists and technologists and is a Member of the Asia-Pacific Molecular Biology Network. Her research focuses on the systemic and cellular consequences of changes in intracellular calcium levels in animals.

5:45 pm -6:00 pm: *Cultural Programme*

6:00 pm -6:10 pm: *Vote of Thanks by Prof. Arindam Maitra*
