POSITIONS AVAILABLE

Project Name & Funding Authority:

Genomics-driven Dissection of Susceptibility and Drug Resistance to Pulmonary Tuberculosis, with a Geographical Focus on NER, Department of Biotechnology, Govt. of India.

Selected applicants will be appointed up to 24-09-2023.

Project description:

It has been proved that genetic factors determine the susceptibility to various infectious diseases and their clinical courses upon infection. The proposed project aims to understand mechanisms of tuberculosis susceptibility and drug resistance emergence in the northeast region of India using multi-pronged approach. Research focus will include study of host genomics and functional genomics as well as critical assessment of clinical parameters.
