

Institute Day Celebrations, 2021

NIBMG celebrated 11th 'Institute Day' on February 23, 2021. The programme was organized mainly using virtual platform. where, Prof. Shahid Jameel, Director, Trivedi School of Biosciences, Ashoka University, Haryana, India, delivered Institute Day Lecture entitled "COVID 19 in India". He was the Chief Guest of the Programme.

Prof. Sarah A. Teichmann , F.R.S.; Cellular Genetics Programme Head, Wellcome Sanger Institute, Hinxton , U.K & Director of Research, Cavendish Laboratory, University of Cambridge, U.K. was the Guest-of-Honour. She delivered the Key-Note address, entitled: "The Human Cell Atlas: Mapping the Body One Cell at a Time". There was huge enthusiasm among all the members of NIBMG. This was followed by a small cultural event participated and attended by members of NIBMG-Family, fully complying with COVID-19 restrictions.
