## NATIONAL INSTITUTE OF BIOMEDICAL GENOMICS

(An autonomous Institute of Dept. of Biotechnology, Ministry of Science & Technology, Govt. of India)

EOI NO. NIBMG/ADMIN/ESTB/2025-2026/004

Date: 20.06.2025

### Expression of Interest for Construction of 1 no. of Open-air theatre at NIBMG, Kalyani

National Institute of Biomedical Genomics (NIBMG), a premier Autonomous Institute of Dept. of Biotechnology, Ministry of Science & Technology, Govt. of India desires to construct 1 no. Open-air theatre in its campus located at Kalyani, West Bengal. Hence NIBMG invites Expression of Interest (EOI) from eligible firms interested in developing this area.

#### Scope of work

##### 1. Seating:

- a. Sloped Seating:** Seating should be arranged in a sloped configuration to ensure clear sightlines and audibility. A slope of at least 12 degrees is recommended.
- b. Seating Capacity:** Open-air theater which can accommodate 200 to 250 members of staff.
- c. Aisles:** Adequate aisle widths for easy access should be included in the design.

##### 2. Stage:

- a. Raised Stage:** The stage should be typically raised above the ground floor level, at least by 75cm.
- b. Stage Dimensions:** Stage dimensions can vary depending on the intended use, but a common size is 5x10 meters.
- c. Stage Materials:** Consider using materials like stone or concrete or composite materials for the stage.

##### 3. Acoustics:

- a. Noise Level:** Noise levels should be kept below 40 decibels to ensure a comfortable listening experience.
- b. Sound Reflection:** Consider using sound-reflecting surfaces to enhance acoustics, while also being mindful of potential echoes.
- c. Natural Acoustics:** Take advantage of natural acoustic elements, such as trees, buildings to enhance sound quality.
- d. Even Acoustics:** Arrangement should be made so that every person sitting in the open air theatre should be able to hear clearly what is being organized in the stage.

##### 4. Other Considerations:

- a. Visibility:** Ensure that the angle of view from the seating area is greater than 20 degrees.
- b. Drainage:** Proper drainage to be incorporated to prevent water accumulation on the stage and seating areas.
- c. Lighting:** Consider natural lighting and plan for supplemental lighting as needed for using the facility in the night

**d. Materials:** Durable and all weather-resistant materials for the stage, seating, and other structural elements to be used.

**e. Accessibility:** Ensure that the venue is accessible to people with disabilities.

**f. Flagpost:** Should include the provision for putting up the National Flag

**5. EoI must include:**

**i) Architectural layout:** Detailed design and drawing.

**ii) Project cost proposal:** The estimated cost based on the above proposed requirements.

**iii) Proposed timeline:** The time frame required for getting the project completed and handed over is 180 days from the date of receipt of the work order.

**iv) Proof of credibility of the firm:** Proof of experience of similar nature work done in the last 5 years in a government funded institute/PSU/hospitals/reputed private organization in India must be produced (Copy of the experience certificate).

**v) Firm details:** Link of the website, where physically located, annual turnover, manpower employed, GSTnumber.

**6. Eligibility for participation in EOI:**

Firms must have experience of construction of Open-air theatre in any government funded Institution/PSU/hospitals or reputed private organization within India within the past 5 years.

**7. Other information regarding EOI:**

All EOIs need to be submitted in the email address: ***purchases@nibmg.ac.in***

1. Prospective bidders can visit BRIC-NIBMG to inspect the site with prior appointment by writing in the above-mentioned email address.

2. All bids received within the last date specified in the advertisement for EOI will be screened and evaluated by BRIC-NIBMG.

3. The successful bidders will be asked to make a technical presentation to BRIC-NIBMG. At this stage a 3D visual presentation is desired.

4. Only the successful bidders in the EOI will be allowed to take part in the two-stage tendering process to be done in CPP portal.
