Expression of Interest for Building of an Animal Holding Facility at NIBMG-Kalyani

National Institute of Biomedical Genomics (NIBMG), a premier Autonomous Institute of Dept. of Biotechnology, Ministry of Science & Technology, Govt. of India desires to build an interim Animal Holding Facility **within its main building** located at Kalyani, West Bengal. Hence NIBMG invites Expression of Interest (EoI) from eligible firms interested in the construction of such an animal holding facility on a turnkey basis.

Facility details:

The Animal Holding Facility will be constructed in the NIBMG main building within the approximate area of 1500 sq ft. The facility must contain (a) Non-immunocompromised mice holding rooms (one), (b) Immunocompromised mice holding rooms (one), (c) Procedure / excrement room (one), (d) Quarantine room (one), (e) Change Area (one), (f) Clean/Dirty Corridors (as per design), (g) Sterilization Area (one), (h) Washing Area (one), (i) Clean Feed and Bedding Storage Area (one), (j) Necropsy Area (one), Air Shower Room, Waiting area (as per design) etc. These details are indicative and the numbers may change during the full tendering process.

Scope of work

1. Complete Civil, Electrical, Water Supply and Sewerage work as required for operation of the Animal Holding Facility
2. Installation of a power back up system (the main electricity will be supplied by NIBMG)
- 3: Integrations of all services including area wise / room wise pressure differentials.
- 4: Installation of Animal Management System
5. Installations of AHU and HVAC as external units

EoI must include:

- 1) **Architectural layout:** Detailed design and drawing showing different areas and zones considering the guidelines provided by CCSEA, Govt. of India

- 2) **Details of the above listed scope of work:** Elaboration of the five points in the above listed **scope of work** including the make/materials to be used in each case.
- 3) **Equipment list and layout:** Detailed list and positions of all the equipment needed within the facility.
- 4) **Project cost proposal:** The estimated cost based on the above proposed requirements
- 5) **Proposed time line:** The time frame required for getting the project completed and handed over.
- 6) **Proof of credibility of the firm:** Proof of experience of construction of animal house facility for mice in any government funded institution or reputed private organization within the past 5 years must be produced (Copy of the order).
- 7) **Firm details:** Link of the website, where physically located, manpower employed, annual turnover, GST number

Eligibility for participation in LOI:

Firms should have experience of construction of Animal house facility with appropriate AHU and HVAC system for mice in any government funded institution or reputed private organization within India within the past 5 years.

Other information regarding LOI:

1. All LOIs need to be submitted in the email address: animalholdingfacility@nibmg.ac.in
2. Prospective bidders can visit NIBMG to inspect the site with prior appointment by writing in the above mentioned email address.
3. All bids received within the last date specified in the advertisement for EOI will be screened and evaluated by NIBMG.
4. The successful bidders will be asked to make a technical presentation to NIBMG.
5. Only the successful bidders in the LOI will be allowed to take part in the two stage tendering process to be done in CPPP portal.
