Date: 12/06/2024

Positions available

On-Line Walk-In-Interview will be conducted for the position of **Project Associate-I** for extramural projects as per details given below.

Project Name: Investigating the role of PTPRM gene in lens thickness, identified from quantitative trait genome-wide association study.

Project Tenure: Three months.

Principal Investigator's name: Dr. Moulinath Acharya.

Project Description: PTPRM is a widely studied protein tyrosine phosphatase expressed in the lens. A quantitative trait-GWAS identified PTPRM as a risk loci for lens thickness. The current project will explore the role of PTPRM in lens development and differentiation with respect to its interaction with gap junction proteins connexins, which play a crucial role in lens homeostasis.

NIBMG is looking for motivated and bright individuals interested in exploring career opportunities in this multi-organization national initiative, of which NIBMG has a lead role to perform.

Name of the position	No. of Positions	Consolidated Remuneration [INR] Per month	Essential Qualifications	Desirable Qualifications	Nature of Duty
Project Associate-I	1	<p>i) 31,000/- + 24% HRA to be given who are selected through (a) National Eligibility Tests – CSIR-UGC NET including lectureship (Assistant Professorship) or GATE or (b) A selection process through National level examinations conducted by Central Government Departments and their Agencies and Institutions.</p> <p>(ii) 25,000/- + 24% HRA for others who do not fall under (i) above.</p>	<p>i) Post Graduate Degree in Natural Sciences or bachelor's degree in engineering or technology or medicine from a recognized University or equivalent.</p> <p>ii) Age limit 35 years as on last date of application</p>	<p>i) A prior research experience of basic molecular biology techniques (like immunoblotting, immunostaining and real-time PCR)/ animal cell culture</p> <p>ii) zebrafish handling, microinjection, deep phenotyping, cryosection</p>	The person hired will be responsible for day-to-day research activities as required for the proposed project. The person also needs to take responsibility of laboratory management and record keeping.

Online Walk-in interview: **Date 19-06-2024** from **11.00 AM** onwards.

1. **This position is contractual**, and the selected candidate will be appointed for 03 months.
2. Interested candidates should fill-up a Google Form (using your google account) within **18-06-2024 (midnight)** with the Link:
<https://docs.google.com/forms/d/e/1FAIpQLSfvRYpvxJ5lcFgf9lCgWsq03V8N4cerxtMCf-KfRXfACdNRg/viewform?usp=sharing>
3. If selected, you will be asked to produce all documents in the original. If the documents don't truly reflect what is mentioned in the advertisement, your candidature will be cancelled.
4. Please visit our website **www.nibmg.ac.in** for further information. The decision of NIBMG in all matters relating to eligibility, acceptance or rejection of application, mode of selection, and conduct of interviews will be final and binding on the candidates.
