NATIONAL INSTITUTE OF BIOMEDICAL GENOMICS

(An Autonomous Institution of the Government of India)

P.O.: N.S.S, Kalyani 741251, Nadia, West Bengal, INDIA www.nibmg.ac.in

Date: 01-12-2021

Advertisement No. NIBMG/ADMIN/ESTB/2021-22/257

Positions available

Genetic Services Unit (GSU) has been jointly established in 2016 by the National Institute of Biomedical Genomics (NIBMG), Kalyani, Department of Biotechnology, Government of India & Government of West Bengal. The objective of GSU is to provide reliable diagnosis for various genetic defects that manifest either at birth or later in life.

We are looking for motivated individuals interested in a career in molecular diagnostics for the positions listed below. Each position in contractual, with an initial appointment period of one year, which may be extended depending on performance and availability of funds.

Name of the position	No. of position(s) vacant	Consolidated Remuneration [INR] Per Month	Essential Qualifications	Desirable Qualifications	Nature of Duty
Laboratory Assistant	1	20,000/- + 24% HRA	(1) At least a graduate (B.Sc.) degree in any branch of Life Sciences. (2) Age should not exceed 35 years on the date of advertisement. (3) Working experience of at least one year using molecular biology techniques like DNA/RNA extraction, gel electrophoresis, PCR and PCR-based genotyping, qPCR.	1. Knowledge of using computers for record keeping and data analysis. 2. Good communication skill in Bengali, Hindi, and English. 3. Experience of handling clinical samples.	(1) Preparation of reagents, maintenance of equipment, autoclaving, routine laboratory work including genetic testing of clinical samples following SOPs. 2. Handling of clinical samples. 3. Maintenance of referral database and laboratory inventory.
Project Assistant	1	20,000/- + 24% HRA	(1) At least a graduate degree (B.Sc./B.Tech.) in Bioinformatics. (2) Age should not exceed 35 years on the date of advertisement. (3) Working experience of at least one year in DNA sequencing and other PCR based techniques and data analysis.	1. Experience of genetic and genomic data analysis. 2. Good communication skill in Bengali, Hindi, and English. 3. Experience of handling clinical samples and data analysis.	1. Analyses of genetic and genomic data. 2. Maintenance of referral database and laboratory inventory. 3. Genetic testing of clinical samples. 4. Handling of clinical samples.

This position is purely contractual, and the appointment will be initially given for one year, which is extendable depending upon performance, requirement of the project and availability of funds. Interested candidates are requested to apply online at https://apply.nibmg.ac.in (no other form of application will be accepted). The last date of application is 19th December 2021 upto 5PM). Please visit www.nibmg.ac.in for further information. Only the shortlisted candidates will be called for online interview.

NIBMG reserves the right to raise the minimum eligibility standards/criteria and/or to conduct a screening test, to restrict the number of candidates to be called for Personal Interviews, if so required. The decision of NIBMG in all matters relating to eligibility, acceptance or rejection of application, mode of selection, and conduct of interviews will be final and binding on the candidates. In exceptionally meritorious cases, the eligibility requirements may be relaxed by the competent authority.
