Information for an Internship at BRIC-NIBMG

NIBMG invites applications for short-term and long-term training from eligible students:

ELIGIBILITY:

1. Candidates can apply to labs of interest via training forms (see below).
2. Students who have training as a part of the course curriculum are eligible. Note that students who have already graduated are not eligible for this training.
3. For students enrolled in a Four-Year Undergraduate Programme (FYUP) or an Integrated BS-MS program, a minimum of 6 semesters of their course must be completed, and the training should fall within their 7th or 8th semester subject to clause mentioned in above point
4. Students of final year of B.Sc., B.Tech., BS, BS-MS, B.E. or completed 1st Year of MCA, M.Sc., MTech are also eligible to apply subject to the clause mentioned in point no. 2
5. Candidates can choose from the following training sessions. No other period will be considered for training.

FACULTY INTAKE & LABORATORY CAPACITY

Session Trainee Caps: To optimize laboratory infrastructure while maintaining high-quality mentorship, each faculty member/scientist is permitted to host a maximum of one (1) long-term trainee and two (2) short-term trainees per training session.

Vacancy Constraints: All allocations remain strictly contingent upon the availability of designated faculty supervisors and open lab benches during the specified training timeline.

Training Session Schedules

Long-term training		Short-term Training (Duration: 2-3 months)	
(Duration: 6 months)	Applications Invited From	Start Dates	Applications Invited
Session I: July to December	1st April	1st July	Any period between 1st April – 30th September (Apply two months prior to estimated training date)
Session II: January to June	1st October		

Trainees joining for more than 6 months will also fall under this training program but initially they have to be admitted for 6 months after the completion their tenure will be extended for another 6 months

5. Applicants may apply directly to faculty members with available openings, reviewing faculty profiles and research interests at www.nibmg.ac.in.
6. Applications undergo screening, with confirmation emails sent exclusively to provisionally selected candidates one month prior to the start date.
7. Upon selection, candidates must submit a mandatory university authorization letter and No Objection Certificate (NOC) specifying exact dates within 3 days, or the position goes to the next candidate.
8. The monthly training fee is Rs. 2,500, with an optional Rs. 1,000 monthly fees for hostel accommodation (subject to availability).
9. Successful completion yields a training certificate endorsed by the Supervisor/Coordinator and Director NIBMG, though early termination forfeits certification

Faculty with vacancies for training

Vacancy for Long Term trainee for Jan -Jun Session 2027		
<u>Sl.No</u>	Name of Faculty Members/ Fellows	Vacancy
1	Professor Analabha Basu	1
2	Dr. Anup Mazumder	1
3	Professor Arindam Maitra	1
4	Dr. Arvind Korwar	1
5	Dr. Bhaswati Pandit	1
6	Dr. Dilip Kumar	1
7	Professor Kartiki V. Desai	1
8	Dr. Kaushik Das	1
9	Dr. Moulinath Acharya	1
10	Professor Nidhan K. Biswas	1
11	Professor Sandeep Singh	1
12	Dr. Soumitra Mohanty	1
13	Dr. Souvik Mukherjee	1
14	Dr. Sriram Sridharan	1

Application Procedure

Applicants must submit the following documents compiled strictly in **PDF format**:

- **Attachment 1: Standardized Training Application Form**
 - Personal details, including full legal name, primary contact email, and mobile number.
 - The precise proposed commencement and conclusion dates of the training period.
 - Current institutional affiliation along with verified academic status (e.g., M.Sc. First Year, Semester II).
 - A statement of research interest detailing your scientific motivations and training objectives (maximum one paragraph).
 - An institutional rationale outlining why NIBMG is the ideal venue for your academic development (maximum a few sentences).
- **Attachment 2: Comprehensive Curriculum Vitae (CV)**
 - A complete record of academic accomplishments, including secondary board and undergraduate examination scores.
 - A semester-wise or year-wise breakdown of marks/CGPA representing your ongoing degree program.
 - An overview of relevant technical competencies and laboratory skills.
- **Attachment 3: No-Objection Certificate (NOC)**
 - An official endorsement from the home institution explicitly permitting participation and confirming the exact training timeline.

Evaluation & Selection Criteria

Faculty members evaluate applications based on the following professional benchmarks:

- The candidate's overall academic pedigree and curriculum vitae.
- The availability of faculty mentors and laboratory space for the designated duration.
- The thematic alignment between the candidate's research interests and the active projects of host laboratories.

Arrival & Institutional Onboarding

Onboarding takes place on weekdays, preferably on the **first Monday of the month**.

Upon arrival, selected candidates must present the following credentials:

1. An official university authorization letter confirming academic status and granting permission to undergo training at NIBMG with definitive dates.
2. Verified transcripts of the preceding M.Sc. semester (or equivalent).
3. Official undergraduate graduation degree and transcripts.
4. Valid documentary proof of age/date of birth.

5. Two recent passport-sized photographs.
6. *For Integrated BS-MS candidates:* Comprehensive transcripts detailing latest cumulative grades.

Logistics, Accommodation, & Campus Amenities

- **Transit:** The NIBMG campus is situated in close proximity to the **Kalyani Main** and **Kalyani Junction** railway stations. Comprehensive travel directions are accessible via the institutional web portal.
- **Hostel Accommodations:** Outstation trainees may apply for residential lodging. Allotments are strictly contingent upon room availability and incur a nominal fee of **Rs. 1,000 per month** (exclusive of catering).
- **Financial Liabilities:** Trainees must bear all personal expenses. NIBMG does not provide stipends, travel allowances (TA), or daily allowances (DA). Subsidized dining services are available at the campus canteen and cafeteria on a direct-payment basis.

External Fellowship Recipients

- **Summer Research Fellowship Programme (SRFP) Scholars:** Upon formal allocation to an NIBMG faculty member, scholars must submit Attachments 1 and 2 alongside their official fellowship award letter specifying the host laboratory. The No-Objection Certificate (Attachment 3) is waived. Formal institutional confirmations are issued one month prior to the onboarding date.
- **BIOTECH Rise & Allied Fellowship Candidates:** Provisionally selected fellowship awardees must complete the standard training application protocol. The specific fellowship designation must be explicitly highlighted within the attached CV. The No-Objection Certificate (Attachment 3) is waived.
